

MS-474: Twin Valley School Blueprints

Collection Number: MS-474

Title: Twin Valley School Blueprints

Dates: 1975

Creator: Twin Valley Local School District (Ohio)

Summary/Abstract:

The collection contains 30 blueprints for renovations of four school buildings in Preble County's Twin Valley Local School District: North High School (Lewisburg), Lewisburg Elementary School, Verona Elementary and Junior High School, and South High School (West Alexandria). They include floor plans, exterior views, and plans about heating, plumbing, and lighting.

Quantity/Physical Description: 1.95 lin. ft. (3 oversize folders, 30 blueprints)

Language(s): English

Repository:

Special Collections and Archives, University Libraries, Wright State University, Dayton, OH 45435-0001, (937) 775-2092

Restrictions on Access:

This collection is in **oversize, off-site storage**. Please provide us at least two days advance notice if you would like to research this collection. Call 937-775-2092 or e-mail us at library-archives-ref@wright.edu.

Restrictions on Use:

Copyright restrictions may apply. Unpublished manuscripts are protected by copyright. Permission to publish, quote, or reproduce must be secured from the repository and the copyright holder.

Preferred Citation:

[Description of item, Date, Folder #], MS-474, Twin Valley School Blueprints, Special Collections and Archives, University Libraries, Wright State University, Dayton, Ohio

Acquisition:

This collection was donated to Special Collections and Archives, Wright State University Libraries, by Marie A. Reedy in September 2013.

Other Finding Aid:

The finding aid is available on the Special Collections & Archives, Wright State University Libraries web site at <https://www.libraries.wright.edu/special/collectionguides/files/ms474.pdf>. It is also available in the OhioLINK Finding Aid Repository at <http://ead.ohiolink.edu/xtf-ead/>.

Processed by:

Finding aid written according to DACS standards by Megan O'Connor, October 2019.

Arrangement:

The blueprints are arranged by the town the school building was located in (Lewisburg, Verona, and West Alexandria). Within each town, blueprints are alphabetized by the letter-number code on the blueprint.

Biographical/Historical Note:

The Twin Valley School Blueprints collection documents a circa 1975 renovation of four early-twentieth-century school buildings in Lewisburg, Verona, and West Alexandria, in Preble County, Ohio. The blueprints were created by Huston Associates, with one topographic view created by the Winemiller Engineering Company in Vandalia, Ohio. The Lewisburg Elementary School was built in 1908, and the North High School in 1927; both schools were on Commerce Street and were demolished in 1990. Verona Elementary and Junior High was built in 1918 and abandoned in 1990. West Alexandria's South High School was built in 1910 and was also abandoned in 1990. Twin Valley Local School District was split into two separate districts in 1983: the Tri-County North Local School District in Lewisburg and the Twin Valley Community Local School District in West Alexandria.

Scope and Content Note:

The collection contains 30 blueprints for renovations of four school buildings in Preble County's Twin Valley Local School District: North High School (Lewisburg), Lewisburg Elementary School, Verona Elementary and Junior High School, and South High School (West Alexandria). They include floor plans, exterior views, and plans about heating, plumbing, and lighting.

The collection contains several types of blueprints. Floorplans, which exist for all of the schools except the West Alexandria South High School, show labelled classrooms. Blueprints for "Carpet Seams and Special Treatments", plumbing and ventilations, and "Lighting and Reflected Ceiling" include floorplans labelled with architectural details rather than room usage. Exterior views, which exist for Lewisburg Elementary School and Verona Elementary and Junior High, show the window layouts for the schools, suggesting the buildings' aesthetics before and after the 1970s renovations. A topographic view of the Lewisburg schoolgrounds shows the relative locations of the North High School and Lewisburg Elementary School, as well as some details about the schoolyard's landscaping. Some blueprints contain instructions to workers about details like removing chalkboards, painting interior trim in the school, and repairing squeaks in the schools' wood flooring.

The blueprints are labelled with a letter-number system in the bottom right corner. Blueprints whose labels begin with C, D, DM, and DE are plans for Twin Valley's Lewisburg schools—the North High School and an elementary School. Those labelled E are for the Verona Elementary

and Junior High. Ones labelled B, BM, and BE are plans for the West Alexandria South High School.
