Biographical/Historical Note:

“A SPECIAL WISH FOUNDATION, INC. was the first wish-granting organization in the State of Ohio and the third such organization in the nation, when it was founded in 1982.

The organization was founded by Ramona Damron-Fickle, who was concerned about the lack of services for terminally-ill children. In 1981, she began to develop an organization which would meet the wish-granting needs of qualifying children.

“Seed” money was provided to the Foundation in the form of its first contribution. A local resident, Cliff Damron, made the contribution in memory of his wife, Gladys, who was known among family and friends for her active role in helping provide the spiritual and physical needs of disadvantaged children in their families.

In March 1982, the first organizational meeting was held at the Children’s Hospital in Columbus, Ohio. A 12-member Board of Directors representing a broad spectrum of the State was seated to administer the program. In May 1982, the Foundation’s Articles of Incorporation were filed and the Foundation was later determined by the Internal Revenue Service to be exempt from Federal Income Tax under Section 501(C)(3) of the Internal Revenue Code.

The first wish was granted in 1982 to six-year-old Amber Johnson, a leukemia victim. Amber and her family visited her favorite characters, Mickey Mouse and Donald Duck at their home in Disney World.

In 1984, the first Chapter was placed in Dayton, Ohio. The first out-of-state chapter was placed in Orlando, Florida in 1984. In 1993, the first chapter in a foreign country was placed in Moscow, Russia.

In 1985, the original 12-member Board of Directors became the National Board of Governors. The Board of Governors oversee the program on a national/international basis.

As other chapters were developed, the program was expanded to include all qualifying children referred to the Foundation by the Medical community across the United States.”

Over 900 wishes have been granted since this organization began and it is still one of the largest wish-granting organizations in the United States.

Scope and Content:

A Special Wish Foundation was the first wish-granting organization in the State of Ohio and created its first chapter in Dayton. The collection would be valuable to someone who may have had a relative that was a wish recipient or granter. It is also valuable to those who are researching foundations and charities in Dayton. Finally, this collection is a piece of cultural history for Dayton and the State of Ohio.

Series I, Administration, 1989-2011, contains two subseries and covers meeting minutes of the Board of Directors and media coverage. Subseries IA, Board of Directors Meeting Minutes, 1989-2011, includes meeting minutes as well as financial records for the Board of Directors. Several folders of material had been severely damaged by water and appeared to have mold beginning to grow. These folders were copied and the original material discarded. There are some instances where Wright State University students raised money for wishes. Subseries IB, Media, 2000-2009, contains any media coverage on A Special Wishes Foundation, Inc. largely in newspaper clippings of wishes and events.

Series II, Audio-Visual Media, 1998-2011, contains two subseries. Subseries IIA, Photographs, 1998-2011, is probably the largest subseries as it documents hundreds of wishes granted and events such as luncheons and holiday events that children were able to participate. Over 1000 wishes have been granted since A Special Wish Foundation, Inc. was founded. Subseries IIB, CDs, DVDs, VHSs, 2000, 2002, consists largely of photograph CDs that correspond with photographs in Series IIA, as well as videos of some events.
