

## SC-10 Charles A. Hunn Collection (1917-1976)

### (48 Items)

This collection consists mainly of photos with some paperwork. The items relate to Charles's time in the Army guarding the Mexican Border during World War I and his career as a commercial artist. There are some personal letters and military records.

\*Note: There are two folders; one with originals and one with photocopies. Please use photocopies to reduce the handling of the originals.

Donated by Mrs. Charles A Hunn
