

SC-128 Glenn Curtiss Cyanotype Postcard, ca. 1910

(1 item)

Item List

1. A cyanotype postcard depicting Glenn Curtiss preparing for a flight in an early Curtiss Pusher. It was published by the Benham Company of Los Angeles, California. It is believed to date to 1910 or 1911. If the date is 1910, it shows Curtiss at the Second International Air Meet at Dominguez Hills near Los Angeles. If the date is 1911, it shows Curtiss flying at North Island near San Diego. The image was purchased from Zita Books in 2000.
