

SC-137 The Wright Brothers and Their Work Booklet, 1910

(2 Items)

This collection consists of a report written by George Bia and a photograph of Wilbur Wright at the controls of a flyer.

Item List

1. Leg Frere Wright & Leur Oeuvre Por Geo Bia (The Wright Brothers and Their Work by George Bia). Bia was the Wright's representative in Belgium. It contains numerous illustrations of the Wrights, their flyer, and technical drawings. There is an excellent log of Wright's flights at Le Mans. The booklet is published in French.
2. Photograph of Wilbur at the controls of a flyer. The photo has been altered by outlining the image.
