From the Order of Daedalians website:

The Order of Daedalians honors, as its Founder Members, all WW I aviators who were commissioned as officers and rated as military pilots no later than the Armistice on 11 November 1918. It perpetuates their names as the first to fly our country's airplanes in time of war. The Order's membership of commissioned, warrant and flight officer military pilots and WASPs, with its worldwide network of Daedalian Flights and its comprehensive awards program, supports the military services and other aerospace activities. The Awards and Scholarship Programs of the Order and Foundation encourage patriotism, integrity, and good character in our nation's youth; military careers as commissioned pilots; safety of flight, and excellence in the performance of military duties. The Daedalian Foundation's scholarship program also promotes study in aerospace disciplines.
