

**SC-255**      Pictograph of WPAFB and Its Master Plan, 1948

**(1 item)**

This collection contains the oversize pictograph book of Wright-Patterson Air Force Base and its master plan, produced from data collected and edited by the Deputy of Air Installations in 1948. As stated on the first page, the purpose of the book was “to show certain facilities existing and certain facilities needed” at the base. It contains forty pages.
