William F. Geiger Aviation Photograph Collection

(38 items)

This collection consists of 38 images total. 16 are stamped "Photo by H. M. Benner, Hammondsport NY" and show various Curtiss planes along with numerous other aircraft from approximately 1905-1920. Another 22 photographs are all stamped with the seal "Air Service/Engineering Division." These images depict a variety of aircraft and all were collected by William F. Geiger a Centerville, OH, native and former Army Air Force aircraft armorer. The images are all thought to have been taken at McCook or Wright Fields in Dayton, Ohio.
